

**REMARKS/ARGUMENTS**

Applicant has herein amended claims 1 and 11. Applicant hereby requests entry of this amendment prior to issuance of the application.

Applicant appreciates the Examiner's kindness and willingness to move this application towards allowance via the telephone conversations which took place between the Examiner and Applicant's attorney during February.

The sole purpose of this amendment is to correct an antecedent basis issue, which was inadvertently introduced into claims 1 and 11 with the Examiner's amendment of February 28, 2005. No other amendments have been made herein.

Applicant believes that the amendments included herein are needed for proper disclosure or protection of the invention and require no substantial amount of additional work on the part of the Patent and Trademark Office. Entry of this amendment and issuance of the application is respectfully requested.

Respectfully submitted,

Steven B. Phillips
